

THE FAMILY RESOURCE CENTER OF EFFINGHAM COUNTY

SERVING CLAY AND EFFINGHAM COUNTY
RESIDENTS

The Family Resource Center of Effingham County (FRC) offers advocacy, mentoring, anger management, employment readiness training, and financial literacy training to parents. The Center can facilitate links to various community and DHS services. It also provide services through the DCFS Alumni Program.

HEALTHWORKS OF ILLINOIS

EFFINGHAM COUNTY HEALTH
DEPARTMENT SERVES AS THE LEAD
AGENCY FOR THIRTEEN COUNTIES

The primary purpose of HealthWorks is to assure that DCFS wards from birth to age 21, who are in substitute care, receive comprehensive quality health care services.

HealthWorks staff, foster parents and caseworkers work closely together to ensure that foster children receive appropriate and timely medical care.

WIC

WOMEN. INFANTS. CHILDREN.

WIC helps pregnant women, new mothers and young children eat well and stay healthy.

- Pregnant, breastfeeding or just had a baby
- Infants and Children under 5 years old (incl. foster children)
- Families with medium to low income

W.I.C. can provide:

- A WIC EBT card to buy healthy foods – like milk, juice, eggs, cheese, cereal, fruits, vegetables, and peanut butter
- Information about nutrition and health to help you and your family eat well and healthy
- Information and support for breastfeeding
- Help in finding health care and other services in the area

EMERGENCY PREPAREDNESS

PREPARING FOR, RESPONDING TO,
AND RECOVERING FROM
EMERGENCIES AND DISASTERS OF
ALL KINDS.

During and following a disaster, public health professionals, first responders, and community officials work together to minimize death and injuries, prevent disease outbreaks and illnesses.

ENVIRONMENTAL HEALTH

Food Protection: Permits and inspects food establishments operating in Effingham County. Our goal is to reduce the occurrence of foodborne illness and to promote safe food practices.

Private Sewage Disposal: Issues construction permits for new or renovated private sewage disposal systems, conducts inspections, and conducts complaint investigations.

Private Water: Issues construction permits for water wells and closed loop (geothermal) wells, regulates non-community public water supplies.

Vector Surveillance & Control: Conducts surveillance activities to identify, control, and reduce the population of specific insects that have the potential for becoming disease vectors.

Tobacco Prevention: Conducts compliance inspections for the Smoke Free Illinois Act, provides tobacco / vaping prevention curriculum to youth, and promotes the Illinois Tobacco Quitline.
